PROFESSIONAL SUMMARY

Director of SEO with four years of agency experience, owning the SEO function for 25 client accounts across healthcare, outdoor recreation, SaaS and fintech. I build the systems SEO runs on, from the presale process to AI-powered reporting, and measure success in conversions and revenue. With a background in education, I coach account managers, vendors and developers to carry SEO strategy through their own work.

SKILLS

Leadership: SEO program ownership, vendor management, cross-functional leadership, account manager coaching, new business scoping and pricing

Strategy: Keyword research, content strategy, local and multi-location SEO, conversion-focused page strategy, AI search visibility

Technical: Site audits (Screaming Frog), schema, site speed and Core Web Vitals, crawlability, internal linking

Analytics: GA4, Google Search Console, Looker Studio, Semrush, conversion and revenue reporting

AI and automation: Claude, custom AI tools for reporting and analysis, local LLMs (LM Studio, MCP)

EXPERIENCE

Xcite Media Group – Denver, CO (Remote) | Oct 2022 – Present

Director of SEO | Mar 2026 – Present

- Own the agency's SEO function end to end, including strategy, execution, process and vendor management, across 25 client accounts in healthcare, outdoor recreation, SaaS, fintech and home services.
- Built the agency's SEO presale process (scoping, research, pricing and pitch decks), standardizing how new SEO business is qualified and won.
- Direct the link-building vendor on keyword targets, anchor text and link placements across client accounts.
- Partner with web developers to prioritize and resolve technical SEO fixes, including crawlability, site speed and schema.
- Coach account managers to communicate SEO strategy to clients, reducing back-and-forth and keeping client conversations aligned with the roadmap.
- Built an AI-powered reporting tool with Claude that cut report production time in half, from 2 hours to 1.
- Moved a healthcare client's content from position 54 to 10; two of its pages are now cited in Google AI Overviews.
- Grew organic conversions 66% for a whitewater outfitter, organic form fills and calls 55% for a pediatric home health provider, and revenue 7.3% for a river outfitter on the lowest retainer tier.

SEO Coordinator | Oct 2022 – Mar 2026

- Conducted keyword research and wrote SEO content for client sites, working under the review of the agency's SEO lead.
- Ran client reporting meetings, translating GA4, Search Console and Looker Studio data into next-step recommendations.
- Grew organic impressions 111% for a fintech client and delivered an average 28% organic traffic lift for a healthcare client.

Yellowdig – Philadelphia, PA (Remote) | Oct 2021 – Oct 2022

Marketing Coordinator / Social Media Specialist

- Supported SEO, content and technical site improvements for a higher-ed SaaS platform, working with engineering and design.
 - Produced performance reports for leadership that guided campaign priorities and roadmap decisions.
-

EDUCATION

University of Memphis – Memphis, TN | 2014 – 2018

B.A. Music Education
